CIENNA GEORGIA GRAY

4231 ALTSCHUL, NEW YORK, NY | 10027 | 415-760-7069 | CIENNA.G.GRAY@GMAIL.COM

Computer Science major at Barnard College (Columbia University)

· Since 8th grade I've worked as a kitchen helper for my mother's catering company, culminating as an Ass't Pastry Chef. I've been working P/T and summers for 8+ years, during which time I have acquired both leadership and teamwork skills.

· I love applying my creativity to problem solving, especially in programming projects.

EXPERIENCE:

June- August 2018

Summer Software Engineering intern, *Vox Media*
- Tasked with my own project building infrastructure for an uploader devtool
- project streamlined process of collating seperate HTML, CSS and JS into single inline HTML file ready for upload to virtual server.
